Attention Prescribers: e-Prescribing Payments To Be Issued by eMedNY Revision

To encourage the use of e-Prescribing, the New York State legislature authorized the payment of an incentive to eligible medical practitioners for each approved ambulatory Medicaid e-prescription plus a maximum of five refills per prescription. Previous payments for e-Prescribing were issued via checks by the Department of Health outside of the eMedNY system.

In Cycle 1807 (payment dated 04/09/2012), the e-Prescribing incentive payments for fourth quarter 2010 will be issued by eMedNY, and appear as a financial transaction (lump-sum payment) on the provider's Medicaid remittance statement. On the remittance (paper or electronic) the financial control number (FCN) will appear as LSE to indicate an e-Prescribing payment.

In a cycle soon to be determined, the e-Prescribing incentive payments for calendar year 2011 will be issued. Once payments for calendar year 2011 have been issued, the incentive will be issued **quarterly** in the form of a lump sum payment on provider's Medicaid remittance statements.

Questions can be directed to the eMedNY Call Center at 800-343-9000.
