New Edits for Original and Adjusted Delayed Claims

As published in the March 2012 Medicaid Update, New York State Medicaid is working to increase provider compliance with delay reason reporting on claims aged more than 90 days. New edits will verify the validity of Delay Reason Codes reported on the claim.

Effective 6/07/2012, a claim with a date of service that is over 90 days old could be denied with edit 02157 - Delay Reason Code 1 (Proof of Eligibility Unknown) Invalid. (The associated HIPAA reason code will be 29-THE TIME LIMIT FOR FILING HAS EXPIRED and for Pharmacy claims NCPDP Reject code NV-M/I DELAY REASON CODE). Delay Reason 1 is invalid for adjusted or resubmitted claims.
