

**NEW YORK STATE PROGRAMS
MEVS INSTRUCTIONS FOR COMPLETING A TELEPHONE TRANSACTION**

- Be sure to convert all alpha characters to numeric prior to dialing.
- Press * (asterisk key) once to clear a mistake; or to repeat a response.
- Once you are familiar with the prompts and wish to make your entries without waiting for the prompts, just continue to enter the data in the proper sequence. As in all transactions (prompted or unprompted), press the # key after each entry.
- For assistance or further information on input or response messages, call the Provider Services staff at **1-800-343-9000**.
- For some prompts, if entry is invalid, the ARU will repeat the prompt. This allows you to correct the entry without re-keying the entire transaction.
- The call is terminated if excessive errors are made.
- For description or clarification of any response, see the MEVS Provider Manual.
- Nonapplicable prompts may be bypassed by pressing #.
- To be transferred directly to an eMedNY Provider Services Representative, press "0" on the telephone keypad at any time during the first four prompts. The following message will be heard: "The ARU Zero Out Option". You will then be transferred to the eMedNY Provider Services Helpdesk.
- To begin the transaction, **Dial 1-800-997-1111**
- **Important Note:** The New York State Department of Health (NYSDOH) implemented the NPI system changes on September 1, 2008. NPI is required for all transactions submitted to NYS Medicaid including MEVS transactions. This should be the same NPI that you use to bill claims to New York Medicaid. As of October 01, 2009, MEVS transactions will fail unless you begin using your NPI. Atypical providers are not impacted and may continue to use their MMIS ID.

VOICE PROMPT	ACTION/INPUT	ALPHA CONVERSION CHART			
NEW YORK STATE MEDICAID	None	A = 21	H = 42	O = 63	V = 83
