

E0627 and E0629 Seat Lift Mechanisms Update

Effective for dates of service on or after 01/01/2017, the following changes are added to the Durable Medical Equipment, Orthotics, Prosthetics, and Supplies (DMEPOS) Procedure Code Manual:

E0627	# Seat lift mechanism, electric, any type
E0629	# Seat lift mechanism, non-electric, any type

Due to the recent changes in code descriptions for E0627 and E0629, and the deletion of code E0628, the following is a clarification of Medicaid's coverage criteria:

- Only separate seat lift mechanisms for use with patient owned furniture are covered. These codes are not to be used to bill seat lift mechanisms incorporated into furniture.

All existing coverage criteria found in the DMEPOS Provider Manual remains in effect.

For questions related to policy and coverage guidelines, please send an email to OHIPMEDPA@health.ny.gov or call Division of OHIP Operations and Systems at 800 342-3005.

For questions on billing call CSRA at 800 343-9000.
