## Section I – Purpose Statement

The purpose of this document is to assist participating managed care organizations in understanding and complying with the New York State Medicaid (NYS-Medicaid) requirements and expectations for:

- Billing and submitting claims
- Interpreting and using the information returned in the Medicaid Remittance Advice

This document is customized for Managed Care providers and should be used by the provider's billing staff as an instructional as well as a reference tool.

## Section II –Claim Submission

Managed Care providers can submit their claims to NYS Medicaid in electronic or paper formats.

Providers are required to submit an Electronic/Paper Transmitter Identification Number (ETIN) Application and a Certification Statement before submitting claims to NYS Medicaid. While a provider is required to recertify on a yearly basis, the certification will remain in effect as long as the provider is participating in the NYS Medicaid Program. You will be provided with renewal information when your Certification Statement is near expiration.

### Pre-requirements for the Submission of Claims

Before submitting claims to NYS Medicaid, providers need the following:

- An ETIN
- A Certification Statement

#### **ETIN**

This is a submitter identifier issued by the eMedNY Contractor and it must be used in every electronic submission to NYS Medicaid. ETINs may be issued to an individual provider or provider group (if they are direct billers) and to service bureaus or clearinghouses.

ETIN applications are available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **Information** from the menu
- ✓ Click on **Provider Enrollment Forms**
- ✓ Click on **Electronic/Paper Transmitter Identification Number**

#### **Certification Statement**

All providers, either direct billers or those who bill through a service bureau or clearinghouse, must file a notarized Certification Statement with NYS Medicaid for each ETIN used for billing.

The Certification Statement is good for one year, after which it needs to be renewed for billing continuity under a specific ETIN. Failure to renew the Certification Statement for a specific ETIN will result in claim rejection.

The Certification Statement is available at [www.emedny.org](http://www.emedny.org), together with the ETIN application.

## Electronic Claims

Pursuant to the Health Insurance Portability and Accountability Act (HIPAA), Public Law 104-191, which was signed into law August 12, 1996, the NYS Medicaid Program adopted the HIPAA-compliant transactions as the sole acceptable format for electronic claim submission, effective November 2003.

Managed Care providers who choose to submit their Medicaid claims electronically are required to use the HIPAA 837 Institutional (837I) transaction. In addition to this document, direct billers may also refer to the sources listed below to comply with the NYS Medicaid requirements.

- HIPAA 837I Implementation Guide (IG) – A document that explains the proper use of the 837I standards and program specifications. This document is available at [www.wpc-edi.com/hipaa](http://www.wpc-edi.com/hipaa).
- NYS Medicaid 837I Companion Guide (CG) – A subset of the IG, which provides instructions for the specific requirements of NYS Medicaid for the 837I. This document is available at [www.emedny.org](http://www.emedny.org).
  - ✓ Select **NYHIPAADESK** from the menu
  - ✓ Click on **eMedNY Companion Guides and Sample Files**
  - ✓ Look for the box labeled “837 Institutional Health Care Claim” and click on the link for the **837 Institutional Companion Guide**
- NYS Medicaid Technical Supplementary Companion Guide – This document provides technical information needed to successfully transmit and receive electronic data. Some of the topics put forth in this CG are testing requirements, error report information, and communication specifications. The Technical Supplementary CG is available at [www.emedny.org](http://www.emedny.org).
  - ✓ Select **NYHIPAADESK** from the menu
  - ✓ Click on **eMedNY Companion Guides and Sample Files**
  - ✓ Look for the box labeled “Technical Guides” and click on the link for the **Technical Supplementary CG**

## Pre-requirements for Submission of Electronic Claims

In addition to an ETIN and a Certification Statement, providers need the following before submitting electronic claims to NYS Medicaid.

- A User ID and Password
- A Trading Partner Agreement
- Testing

### User ID and Password

Electronic submitters need a user ID and password to access the NYS Medicaid eMedNY system through one of the communication methods available. The user ID and password are issued to the submitter at the time of enrollment in one of the communication methods. The method used to apply for a user ID varies depending on the communication method chosen by the provider. For example: An ePACES user ID is assigned systematically via email while an FTP user ID is assigned after the submission of a Security Packet B.

### Trading Partner Agreement

This document addresses certain requirements applicable to the electronic exchange of information and data associated with health care transactions. The NYS Medicaid Trading Partner Agreement is available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **NYHIPAADESK** from the menu
- ✓ Click on **Registration Information Trading Partner Resources**
- ✓ Click on **Trading Partner Agreement**

### Testing

Direct billers (either individual providers or service bureaus/clearinghouses that bill for multiple providers) are encouraged to submit production tests to CSC before they start submitting Medicaid claims for the first time after enrollment or any time they update their systems or start using a new system. This testing will assist providers in identifying errors in their system and allow for corrections before they submit actual claims.

Information and instructions regarding testing are available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **NYHIPAADESK** from the menu
- ✓ Click on **eMedNY Companion Guides and Sample Files**
- ✓ In the box titled “Technical Guides”, click on **eMedNY Provider Testing User Guide**

## Communication Methods

The following communication methods are available for submission of electronic claims to NYS Medicaid:

- ePACES
- eMedNY eXchange
- FTP
- CPU to CPU
- eMedNY Gateway

### ePACES

NYS Medicaid provides a HIPAA-compliant web-based application that is customized for specific transactions, including the 837I. ePACES, which is provided free of charge, is ideal for providers with small-to-medium claim volume.

The requirements for using ePACES include:

- An ETIN and Certification Statement should be obtained prior to enrollment
- Internet Explorer 4.01 and above or Netscape 4.7 and above
- Internet browser that supports 128-bit encryption and cookies
- Minimum connection speed of 56K
- An accessible email address

The following transactions can be submitted via ePACES:

- 270/271 - Eligibility Benefit Inquiry and Response
- 276/277 - Claim Status Request and Response
- 278 – Prior Approval/Prior Authorization/Service Authorization Request and Response
- 837 - Dental, Professional, and Institutional Claims

To take advantage of ePACES, providers need to follow an enrollment process. Additional enrollment information is available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **NYHIPAADESK** from the menu
- ✓ Click on **ePACES General Information and Enrollment**

### **eMedNY eXchange**

The eMedNY eXchange works like email; users are assigned an inbox and they are able to send and receive transaction files in an email-like fashion. Transaction files are attached and sent to eMedNY for processing and the responses are delivered to the user's inbox so they can be detached and saved on the user's computer. **For security reasons, the eMedNY eXchange is accessible only through the eMedNY website [www.emedny.org](http://www.emedny.org).**

The eMedNY eXchange only accepts HIPAA-compliant transactions.

Access to the eMedNY eXchange is obtained through an enrollment process. To enroll in eXchange, you must first complete enrollment in ePACES and at least one login attempt must be successful.

### **FTP**

File Transfer Protocol (FTP) is the standard process for batch authorization transmissions. FTP allows users to transfer files from their computer to another computer. FTP is strictly a dial-up connection.

FTP access is obtained through an enrollment process. To obtain a user name and password, you must complete and return a Security Packet B. The Security Packet B can be found at [www.emedny.org](http://www.emedny.org).

- ✓ Select **Information** from the menu
- ✓ Click on **Provider Enrollment Forms**
- ✓ Click on **Security Packet B**

### **CPU to CPU**

This method consists of a direct connection established between the submitter and the processor and is most suitable for high volume submitters. For additional information regarding this access method, please contact the eMedNY Call Center at 800-343-9000.

### **eMedNY Gateway**

This is a dial-up access method. It requires the use of the user ID assigned at the time of enrollment and a password. eMedNY Gateway access is obtained through an enrollment process. To obtain a user name and password, you must complete and return a Security Packet B. The Security Packet B can be found at [www.emedny.org](http://www.emedny.org).

- ✓ Select **Information** from the menu
- ✓ Click on **Provider Enrollment Forms**
- ✓ Click on **Security Packet B**

**Note: For questions regarding ePACES, eXchange, FTP, CPU to CPU or eMedNY Gateway connections, call the eMedNY Call Center at 800-343-9000.**

## **Paper Claims**

Managed Care providers who choose to submit their claims on paper forms must use the Centers for Medicare and Medicaid Services (CMS) standard **UB-04** claim form. To view the UB-04 claim form please click on the link provided below. The displayed claim form is a sample and the information it contains is for illustration only.

[Managed Care – UB-04 Sample Claim](#)

An ETIN and a Certification Statement are required to submit paper claims. Providers who have a valid ETIN for the submission of electronic claims do not need an additional ETIN for paper submissions. The ETIN and the associated certification qualifies the provider to submit claims in both electronic and paper formats.

### General Instructions for Completing Paper Claims

Since the information entered on the claim form is captured via an automated data collection process (imaging), it is imperative that it be legible and placed appropriately in the required fields. The following guidelines will help ensure the accuracy of the imaging output:

- All information should be typed or printed.
- Alpha characters (letters) should be capitalized.
- Numbers should be written as close to the example below as possible:

1 2 3 4 5 6 7 8 9 0

- Circles (the letter O, the number 0) must be closed.
- Void unfinished characters. For example:

Written As	Intended As	Interpreted As											
<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px; text-align: center;">6.</td> <td style="width: 20px; height: 20px; text-align: center;">0</td> <td style="width: 20px; height: 20px; text-align: center;">0</td> </tr> </table>			6.	0	0	6.00	<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px; text-align: center;">6.</td> <td style="width: 20px; height: 20px; text-align: center;">6</td> <td style="width: 20px; height: 20px; text-align: center;">0</td> </tr> </table>			6.	6	0	→ Zero interpreted as six
		6.	0	0									
		6.	6	0									

- When typing or printing, stay within the box provided; ensure that no characters (letters or numbers) touch the claim form lines. For example:

Written As	Intended As	Interpreted As			
<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 30px; height: 30px; text-align: center; vertical-align: middle;">2</td> </tr> </table>	2	2	<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 30px; height: 30px; text-align: center; vertical-align: middle;">7</td> </tr> </table>	7	→ Two interpreted as seven
2					
7					
<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 30px; height: 30px; text-align: center; vertical-align: middle;">3</td> </tr> </table>	3	3	<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 30px; height: 30px; text-align: center; vertical-align: middle;">2</td> </tr> </table>	2	→ Three interpreted as two
3

- Characters should not touch each other. For example:

Written As	Intended As	Interpreted As			
<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 30px; height: 30px; text-align: center; vertical-align: middle;">23</td> </tr> </table>	23	23	<table border="1" style="display: inline-table; border-collapse: collapse;"> <tr> <td style="width: 60px; height: 30px; text-align: center; vertical-align: middle;">illegible</td> </tr> </table>	illegible	→ Entry cannot be interpreted properly
23					
illegible					

- Do not write between lines.

- Do not use arrows or quotation marks to duplicate information.
- Do not use the dollar sign (\$) to indicate dollar amounts; do not use commas to separate thousands. For example, three thousand should be entered as 3000, not as 3,000.
- For writing, it is best to use a felt tip pen with a fine point. Avoid ballpoint pens that skip; do not use pencils, highlighters, or markers. Only blue or black ink is acceptable.
- If filling in information through a computer, ensure that all information is aligned properly, and that the printer ink is dark enough to provide clear legibility.
- Do not submit claim forms with corrections, such as information written over correction fluid or crossed out information. If mistakes are made, a new form should be used.
- Separate forms using perforations; do not cut the edges.
- Do not fold the claim forms.
- Do not use adhesive labels (for example for address); do not place stickers on the form.

**The address for submitting claim forms is:**

**COMPUTER SCIENCES CORPORATION  
P.O. Box 4601  
Rensselaer, NY 12144-4601**

## **UB-04 Claim Form**

To view the UB-04 claim form please click on the link provided below. The displayed claim form is a sample and the information it contains is for illustration only.

[Managed Care – UB-04 Sample Claim](#)

### **General Information About the UB-04 Form**

The UB-04 CMS-1450 is a CMS standard form; therefore CSC does not supply it. The form can be obtained from any of the national suppliers.

The UB-04 Manual (National Uniform Billing Data Element Specifications as Developed by the National Uniform Billing Committee – Current Revision) should be used in conjunction with this Provider Manual as a reference for the preparation of claims to be submitted to NYS Medicaid. The UB-04 manual is available at [www.nubc.org](http://www.nubc.org).

Form Locators in this manual for which no instruction has been provided have no Medicaid application. These Form Locators are ignored when the claim is processed.

## Billing Instructions for Managed Care Providers

This subsection of the Billing Guidelines covers the specific requirements for Managed Care organizations submitting capitation or premium claims to New York State Medicaid. Although the instructions that follow are based on the UB-04 paper claim form, they are also intended as a guideline for electronic billers who should refer to these instructions for the information and codes they need to provide in their claims, etc.

It is important that the providers adhere to the instructions that follow. Claims that do not conform to the eMedNY requirements as described throughout this document may be rejected, pending or denied.

### Field-by-Field (UB-04) Instructions

#### **PROVIDER NAME, ADDRESS, AND TELEPHONE NUMBER (Form Locator 1)**

Enter the billing plan's name and correspondence address.

**Note: It is the responsibility of the plan to notify Medicaid of any change of address or other pertinent information within 15 days of the change. For information on where to direct address change requests, please refer to [www.emedny.org](http://www.emedny.org).**

#### **PATIENT CONTROL NO. (Form Locator 3a)**

For record-keeping purposes, the provider may choose to identify a patient by using an account/patient control number. This field can accommodate up to 30 alphanumeric characters. If an account/patient control number is indicated on the claim form, the first 20 characters will be returned on the Remittance Advice. Using an account/patient control number can be helpful for locating accounts when there is a question on patient identification.

**TYPE OF BILL (Form Locator 4)**

Completion of this field is required. All entries in this field must contain three digits. Each digit identifies a different category as follows:

- 1<sup>st</sup> Digit – Type of Facility
- 2<sup>nd</sup> Digit – Bill Classification
- 3<sup>rd</sup> Digit – Frequency

**Type of Facility**

The source of this code is the UB-04 Manual, Form Locator 4, Type of Facility category.

**Bill Classification**

The source of this code is the UB-04 Manual, Form Locator 4, Bill Classification category.

**Example:**

**Frequency - Adjustment/Void Code**

The third position of this field identifies whether the claim is an original, a replacement (adjustment), or a void.

- If submitting an original claim, enter the value **0** in the third position of this field.

**Example:**

- If submitting an adjustment (replacement) to a previously paid claim, enter the value **7** in the third position of this field.

**Example:**

- If submitting a void to a previously paid claim, enter the value **8** in the third position of this field.

**Example:**

Enter the date(s) of service claimed in accordance with the instructions provided below.

**When billing for a monthly premium**, only **one** date of service can be billed per claim form. Enter the date in the FROM box. The THROUGH box may contain the same date or may be left blank.

Dates must be entered in the format MMDDYYYY.

**Note: Claims must be submitted within 90 days of the earliest date (From date) entered in this field unless acceptable circumstances for the delay can be documented. **CONDITION CODES (Form Locators 18–28)**

Leave these fields blank.

**OCCURRENCE CODE/DATE (Form Locators 31–34)**

Leave these fields blank.

**VALUE CODES (Form Locators 39–41)**

NYS Medicaid uses Value Codes to report the following information:

- Locator Code (required)
- Rate Code (required)

Value Codes have two components: Code and Amount. The **Code** component is used to indicate the type of information reported. The **Amount** component is used to enter the information itself. Both components are required for each entry.

**Locator Code – Value Code 61**

Locator Codes are assigned to the provider for each service address registered at the time of enrollment in the Medicaid program or at anytime, afterwards, that a new location is added.

**Value Code**

Code **61** should be used to indicate that a Locator Code is entered under Amount.

**Value Amount**

Locator codes 001 and 002 are for administrative use only and are not to be entered in this field. The entry may be 003 or a higher locator code.

The example below illustrates a correct Locator Code entry.

**Example:**

39 VALUE CODES	
	CODE                      AMOUNT
a	61                      003 -
b	-
c	-
d	-

**Note: The provider is reminded of the obligation to notify Medicaid of all service locations as well as changes to any of them. For information on where to direct Locator Code updates, please refer to [www.emedny.org](http://www.emedny.org).**

**Rate Code - Value Code 24**

Rates are established by the Department of Health. At the time of enrollment in Medicaid, providers receive notification of the rate codes and rate amounts assigned to their category of service. The Department of Health notifies providers any time that rate codes or amounts change.

**Value Code**

Code **24** should be used to indicate that a rate code is entered under Amount.

**Value Amount**

Enter the rate code that applies to the service rendered. The four-digit rate code must be entered to the left of the dollars/cents delimiter.

The example below illustrates a correct Rate Code entry.

**Example:**

39 VALUE CODES	
CODE	AMOUNT
a 24	2210 ▾
b	▾
c	▾
d	▾

**Inpatient Newborn Delivery Claims**

Claims for inpatient newborn delivery are processed and paid according to the usual processing cycle at the eMedNY contractor site. Costs for inpatient newborn delivery are excluded from the monthly capitation reimbursement for newborns.

The rate code for newborn delivery claims is 2298. The service date must be the same as the date of birth.

The claim will appear on the Medicaid remittance for the cycle (week) in which it is processed.

**REV. CD. [REVENUE CODE] (Form Locator 42)**

NYS Medicaid uses Revenue Codes to report the **Total Amount Charged**.

Use Revenue Code **0001** to indicate that total charges for the services being claimed in the form are entered in Form Locator 47.

**Note: Each claim form will be processed as a unique claim document and must contain only one Total Charges 0001 Revenue Code.**

**SERV. DATE (Form Locator 45)**

Leave this field blank.

**SERV. UNITS (Form Locator 46)**

Leave this field blank.

**TOTAL CHARGES (Form Locator 47)**

Enter the total amount charged for the service(s) rendered on the lines corresponding to Revenue Code 0001 in Form Locator 42 (total charges). Both sections of the field (dollars and cents) must be completed; if the charges contain no cents, enter **00** in the cents box.

**Example:**

42 REV CD	43 DESCRIPTION	44 HCPCS / RATE / ICD-9 CODE	45 SERV. DATE	46 SERV. UNITS	47 TOTAL CHARGES	48 NON-COVERED CHARGES	49
0001					3000.00	▼	
					▼	▼	
					▼	▼	

**PAYER NAME (Form Locator 50 A, B, C)**

Enter the word Medicaid on line A of this field. Leave lines B and C blank.

**NPI (Form Locator 56)**

Leave this field blank.

**OTHER PRV ID [OTHER PROVIDER ID] (Form Locator 57)**

The Medicaid Provider ID number is the eight-digit identification number assigned to providers at the time of enrollment in the Medicaid program.

Enter the Medicaid Provider ID number on the same line (A) that matches the line assigned to Medicaid in Form Locator 50.

**INSURED'S UNIQUE ID. (Form Locator 60)**

Enter the patient's Medicaid Client ID number. Medicaid Client ID numbers are assigned by the State of New York and are composed of eight characters in the format AANNNNNA, where A = alpha character and N = numeric character.

**Example:** AB12345C

The Medicaid Client ID should be entered on line A.

**TREATMENT AUTHORIZATION CODES (Form Locator 63)**

Leave this field blank.

**DOCUMENT CONTROL NUMBER (Form Locator 64 A)**

**Leave this field blank when submitting an original claim or a resubmission of a denied claim.**

If submitting an **Adjustment (Replacement)** or a **Void** to a previously paid claim, this field must be used to enter the **Transaction Control Number (TCN)** assigned to the claim to be adjusted or voided. The TCN is the claim identifier and is listed in the Remittance Advice. If a TCN is entered in this field, the third position of Form Locator 4, Type of Bill, must be 7 or 8.

The TCN must be entered on the line (A) that matches the line assigned to Medicaid in Form Locators 50 and 57.

**Adjustments**

An adjustment is submitted to correct one or more fields of a previously paid claim. Any field, except the **Provider ID number** or the **Patient's Medicaid ID number**, can be adjusted. The adjustment must be submitted in a new claim form (copy of the original form is unacceptable) and all applicable fields must be completed. An adjustment is identified by the value **7** in the **third position of Form Locator 4**, Type of Bill, and the claim to be adjusted is identified by the TCN entered in this field (Form Locator 64).

Adjustments cause the correction of the adjusted information in the claim history records as well as the cancellation of the original claim payment and the re-pricing of the claim based on the adjusted information.

**Voids**

A void is submitted to nullify a paid claim. The void must be submitted in a new claim form (copy of the original form is unacceptable) and all applicable fields must be completed. A void is identified by the value **8** in the **third position of Form Locator 4**, Type of Bill, and the claim to be voided is identified by the TCN entered in this field (Form Locator 64).

VOIDS cause the cancellation of the original claim history records and payment.

**UNTITLED [PRINCIPAL DIAGNOSIS CODE] (Form Locators 67 A–Q)**

Leave these fields blank.

**OTHER (Form Locator 78)**

Leave this field blank.

## Section III – Remittance Advice

The purpose of this section is to familiarize the provider with the design and contents of the Remittance Advice.

eMedNY produces remittance advices on a weekly (processing cycle) basis. Weekly remittance advices contain the following information:

- A listing of all **claims** (identified by several pieces of information as submitted on the claim) that have entered the computerized processing system during the corresponding cycle.
- The **status** of each claim (deny/paid/pend) after processing.
- The eMedNY **edits** (errors) failed by pending or denied claims.
- Subtotals (by category, status, locator code, and member ID) and **grand totals** of claims and dollar amounts.
- Other **financial information** such as recoupments, negative balances, etc.

The remittance advice, in addition to showing a record of claim transactions, can assist providers in identifying and correcting billing errors and plays an important role in the communication between the provider and the eMedNY Contractor for resolving billing or processing issues.

Remittance advices are available in electronic and paper formats.

### Electronic Remittance Advice

The electronic HIPAA 820 transaction (Remittance Advice) is available via the eMedNY eXchange or FTP. To request the electronic remittance advice (820), providers may call the eMedNY Call Center at 800 343-9000 or complete the HIPAA 820 Transaction Request form, which is available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **Information** from the menu
- ✓ Click on **Provider Enrollment Forms**
- ✓ Click on **Electronic Remittance Request Form**

The NYS Medicaid Companion Guides for the 820 transaction are available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **NYHIPAADESK** from the menu
- ✓ Click on **eMedNY Companion Guides and Sample Files**
- ✓ Look for the box labeled “820 Payroll & Other Group Premium PMNT,” and click on **820 CG**

Providers who submit claims under multiple ETINs receive a separate 820 for each ETIN and a separate check for each 820. 820 transactions can contain a maximum of ten thousand (10,000) claim lines; any overflow will generate a separate 820 and a separate check.

Providers who choose to receive the 820 electronic remittance advice may elect to receive the status of paper claim submissions in the 820 format. The request must be submitted using the Electronic Remittance Request Form located at [www.emedny.org](http://www.emedny.org). If this option is chosen, no paper remittance will be produced and the status of claims will appear on the electronic 820 remittance advice for the ETIN indicated on the request form. Retro-adjustment information is also sent in the 820 transaction format. Pending claims do not appear in the 820 transaction; they are listed in the Supplemental file, which will be sent with the 820 transaction for any processing cycle that produces pends.

## Paper Remittance Advice

Remittance advices are also available on paper. Providers who bill electronically but do not specifically request to receive the 820 transaction are sent paper remittance advices.

## Remittance Sorts

The default sort for the paper remittance advice is:

- Claim Status (denied, paid, pending) – Patient ID – TCN

Providers can request other sort patterns that may better suit their accounting systems. The additional sorts available are as follows:

- TCN – Claim Status – Patient ID – Date of Service
- Patient ID – Claim Status – TCN
- Date of Service – Claim Status – Patient ID

To request a sort pattern other than the default, providers may call the eMedNY Call Center at 800-343-9000 or complete the Remittance Sort Request Form, which is available at [www.emedny.org](http://www.emedny.org).

- ✓ Select **Information** from the menu
- ✓ Click on **Provider Enrollment Forms**
- ✓ Look for the column titled “Provider Maintenance Forms” and click on **Paper Remittance Sort Request Form**

### Remittance Advice Format

The remittance advice is composed of five sections as described below.

- Section One may be one of the following:
  - ▶ Medicaid Check
  - ▶ Notice of Electronic Funds Transfer
  - ▶ Summout (no claims paid)
- Section Two: Provider Notification (special messages)
- Section Three: Claim Detail
- Section Four
  - ▶ Financial Transactions (recoupments)
  - ▶ Accounts Receivable (cumulative financial information)
- Section Five: Edit (Error) Description

## Explanation of Remittance Advice Sections

The following pages present a sample of each section of the remittance advice for Managed Care providers followed by an explanation of the elements contained in the section.

The information displayed in the remittance advice samples is for illustration only.

The following information applies to a remittance advice with the default sort pattern.

**Section One – Medicaid Check**

For Providers that have selected to be paid by check, a Medicaid check is issued when the provider has claims approved for the cycle and the approved amount is greater than the recoupments (if any) scheduled for the cycle. This section contains the check stub and the actual Medicaid check (payment).

ETIN (not applicable)

Provider Service Classification: **MANAGED CARE**

Provider ID

Remittance number

Locator Code (Plans with have more than one locator code will receive separate Claim Detail sections for each locator code).

***Explanation of the Claim Detail Columns***

**OFFICE ACCOUNT NUMBER**

If a Patient/Office Account Number was entered in the claim form, that number (up to 20 characters) will appear under this column.

**CLIENT NAME**

This column indicates the last name of the patient. If an invalid Medicaid Client ID was entered in the claim form, the ID will be listed as it was submitted but no name will appear in this column.

**CLIENT ID**

The patient's Medicaid ID number appears under this column.

**TCN**

The TCN is a unique identifier assigned to each document (claim form) that is processed. If multiple claim lines are submitted on the same claim form, all the lines are assigned the same TCN.

**DATE OF SERVICE**

The first date of service (From date) entered in the claim appears under this column. If a date different from the From date was entered in the Through date box, that date is not returned in the Remittance Advice.

**RATE CODE**

The four-digit rate code that was entered in the claim form appears under this column.

**UNITS**

The total number of units of service for the specific claim appears under this column.

**CHARGED**

The total charges entered in the claim form appear under this column.

**PAID**

If the claim was approved, the amount paid appears under this column. If the claim has a pend or deny status, the amount paid will be zero (0.00).

**STATUS**

This column indicates the status (DENY, PAID/ADJT/VOID, PEND) of the claim line.

**Denied Claims**

Claims for which payment is denied will be identified by the **DENY** status. A claim may be denied for the following general reasons:

- The service rendered is not covered by the New York State Medicaid Program.
- The claim is a duplicate of a prior paid claim.
- Information entered in the claim form is invalid or logically inconsistent.

**Approved Claims**

Approved claims will be identified by the statuses **PAID**, **ADJT** (adjustment), or **VOID**.

**Paid Claims**

The status PAID refers to **original** claims that have been approved.

**Adjustments**

The status ADJT refers to a claim submitted in replacement of a paid claim with the purpose of changing one or more fields. An adjustment has two components: the credit transaction (previously paid claim), and the debit transaction (adjusted claim).

**Voids**

The status VOID refers to a claim submitted with the purpose of canceling a previously paid claim. A void lists the credit transaction (previously paid claim) only.

### **Pending Claims**

Claims that require further review or recycling will be identified by the **PEND** status. The following are examples of circumstances that commonly cause claims to be pended:

- New York State Medical Review required.
- Claim requires manual pricing.
- No match found in the Medicaid files for certain information submitted on the claim, for example: Patient ID, Prior Approval, Service Authorization. These claims are recycled for a period of time during which the Medicaid files may be updated to match the information on the claim.

After manual review is completed, a match is found in the Medicaid files or the recycling time expires, pended claims may be approved for payment or denied.

A new pend is signified by two asterisks (\*\*). A previously pended claim is signified by one asterisk (\*).

### **ERRORS**

For claims with a DENY or PEND status, this column indicates the NYS-Medicaid edit (error) numeric code(s) that caused the claim to deny or pend. Some edit codes may also be indicated for a PAID claim. These are approved edits, which identify certain errors found in the claim and that do not prevent the claim from being approved. Up to twenty-five (25) edit codes, including approved edits, may be listed for each claim. Edit code definitions will be listed on a separate page of the remittance advice, at the end of the claim detail section.

### **Subtotals/Totals**

Subtotals of dollar amounts and number of claims are provided as follows:

Subtotals by claim **status** appear at the end of the claim listing for each status. The subtotals are broken down by:

- Original claims
- Adjustments
- Voids
- Adjustments/voids combined

Subtotals by **service classification/locator code** combination are provided at the end of the claim detail listing for each service classification/locator code combination. These subtotals are broken down by:

- Adjustments/voids (combined)
- Pends
- Paid
- Denied
- Net total paid (for the specific combination)

Totals by **service classification** and by **member ID** are provided next to the subtotals for service classification/locator code. These totals are broken down by:

- Adjustments/voids (combined)
- Pends
- Paid
- Deny
- Net total paid (for the specific service classification)

**Grand Totals** for the entire provider remittance advice, which include all the provider's service classifications, appear on a separate page following the page containing the **totals** by **service classification**. The grand total is broken down by:

- Adjustments/voids (combined)
- Pends
- Paid
- Deny
- Net total paid (for the specific service classification)

**Section Four**

This section has two subsections:

- Financial Transactions
- Accounts Receivable

***Financial Transactions***

The Financial Transactions subsection lists all the recoupments that were applied to the provider during the specific cycle. If there is no recoupment activity, this subsection is not produced.

***Explanation of the Financial Transactions Columns***

**FCN (Financial Control Number)**

This is a unique identifier assigned to each financial transaction.

**FINANCIAL REASON CODE**

This code is for DOH/CSC use only; it has no relevance to providers. It identifies the reason for the recoupment.

**FISCAL TRANSACTION TYPE**

This is the description of the Financial Reason Code. For example: Third Party Recovery.

**DATE**

The date on which the recoupment was applied. Since all the recoupments listed on this page pertain to the current cycle, all the recoupments will have the same date.

**AMOUNT**

The dollar amount corresponding to the particular fiscal transaction. This amount is deducted from the provider's total payment for the cycle.

***Totals***

The total dollar amount of the financial transactions (**Net Financial Transaction Amount**) and the total number of transactions (**Number of Financial Transactions**) appear below the last line of the transaction detail list.

The Net Financial Transaction Amount added to the Claim Detail-Grand Total must equal the Medicaid Check or EFT amounts.

***Explanation of the Accounts Receivable Columns***

If a provider has negative balances of different nature (for example, the result of adjustments/voids, the result of retro-adjustments, etc.) or negative balances created at different times, each negative balance will be listed in a different line.

**REASON CODE DESCRIPTION**

This is the description of the Financial Reason Code. For example, Third Party Recovery.

**ORIGINAL BALANCE**

The original amount (or starting balance) for any particular financial reason.

**CURRENT BALANCE**

The current amount owed to Medicaid (after the cycle recoupments, if any, were applied). This balance may be equal to or less than the original balance.

**RECOUPMENT % AMOUNT**

The deduction (recoupment) scheduled for each cycle.

***Total Amount Due the State***

This amount is the sum of all the **Current Balances** listed above.

**Section Five – Edit Descriptions**

The last section of the Remittance Advice features the description of each of the edit codes (included approved codes) failed by the claims listed in Section Three.
