ePACES

The New York State Department of Health invites you to use the ePACES application to request and receive a variety of HIPAA-compliant Medicaid transactions. Using the links in the menu-bar on the left and the Help link on the top right of each page, you will be able to easily navigate through all the available functionality. If you do not see the necessary links in the menu at the left, please contact your Primary Administrator.

Please make sure your Provider Name is displayed at the top of the page before continuing. If your Provider Name is incorrect or not available in the "Change Provider" drop-down box at the top of the page, please contact the eMedNY HelpDesk at 800-343-9000.

For further information, please visit these sites:

Cancel DVS Request Information

A DVS Request may only be cancelled

Only DVS Responses with an Action Code of A1 may be cancelled

If a DVS will not cancel . . .

Check if the claim was paid. If paid, replace the paid claim if it contains multiple claim lines and remove the one line with the DVS

If the paid claim contains only one claim line - void the claim

Once the paid claim is replaced or voided - cancel the DVS

If the claim was not paid - check when the DVS was obtained. It could be out of the timeframe for cancellation

Cancel DVS Request – OPTION 1
